
Equestrian Documentation Centre

Services:

Reading Room: This service offers users the chance to access the document collection by prior appointment on telephone no.: +34 956 18 10 50.

Viewing Service: The Centre has two sets of equipment and a projection room for viewing audiovisual and multimedia material.

Document Provision: The Document Provision Service locates and supplies original documents or copies thereof, which are not available for consultation at the Centre facilities.

Bibliographical and Reference Information: This provides all sorts of information relating to the organisation and operation of the Centre, as well as details on other centres or specialist information systems, etc. Information on books, magazines and a wide range of documents, about authors, editors, etc. is also covered.

Bibliographical Searches: This service allows users to search for specialist information and obtain bibliographic references. It also provides information and technical assistance in using the catalogues and databases.

Online Consulting: Simply e-mail documentacionmuseos@realescuela.org for specific queries.
