EXAMEN DE ACCESO

For the different tests, you must bring your DNI or NIE and the valid Federation Card.

The examinations will comprise the following:

- **Practical exam:** It consists of executing a Carriage Driving test on a 30 x 70 m. track (it is attached to this call of applications). The applicants will do this test by memory. This test is judged by two teachers. For the evaluation of this test, the scores given by the teachers will be added together and the result divided by two.
- **Theoretical exam:** This consists of thirty (30) questions of equal value, one point (1) each question of a test-exam dealing with topics referenced in the bibliography

- *Bibliography::*
 - Rivero Merry, Luis: **Manual de enganches**. Sevilla: Lettera, 2004. ISBN: 84-931896-2-6.

- *FINAL MARK AND TEST RESULTS:* The final mark will be the result of calculating the average of the scores obtained in the practical and theoretical exercises, considering that the practical test contributes 75% to the total and the theoretical test 25%. Places will be assigned strictly according to the ranking of scores. In the event that two candidates obtain the same final mark, the higher score in the practical test will decide, and if there is still a tie, the better average score of the collective marks from the performed reprise will be used as a tiebreaker.
