

## Equestrian Documentation Centre

---

### **Services:**

The services are provided free of charge and will be available both on-site and online. They will offer all the necessary resources to support the training and work of researchers and scholars, as well as institutions and other organisations

### In-Library Consultation:

This service provides the opportunity to consult the documentary collection available at the centre. An appointment is required in advance by calling +34 956 18 10 50

### Viewing Service:

The centre has two workstations and an audiovisual room for viewing materials.

### Document Provision:

The Document Provision Service identifies and provides original documents or copies that are not available for consultation on-site at the Centre

### Bibliographical and Reference Information:

This service provides comprehensive information regarding the organisation and operation of the Centre, as well as details about other centres and specialised information systems. It also includes information on books, journals, and a wide range of documents, covering authors, editors, and related bibliographical details.

### Specialised Bibliographical Searches:

This service carries out specialised information searches based on the user's needs and provides the corresponding bibliographical references.

Online Consultation: Specific enquiries can be submitted via email at [documentacionmuseos@realescuela.org](mailto:documentacionmuseos@realescuela.org)
